

UTAH BEACH

Historical Background

The first troops to reach shore were from the 2nd Battalion, 8th Infantry. Capt. Leonard T. Schroeder, leading Company F, was the first man from a landing craft to reach the beach. The 1st Battalion landed a few minutes later. The Allies are met with smaller opposition compared to Omaha Beach. The stage is set, the battle lines drawn, and you are in command. The rest is history.

Briefing

Axis (Germany):

- Take 4 Command Cards

Allies (United States):

- Take 5 Command Cards
- You go first

Conditions of Victory

5 Medals

- An Allied Unit that captures the objective medal may keep it and it counts towards their medal total for the rest of the battle.
